...The Cooling Storm

## *About us...*

*SIGNET, as the name signifies, “seal with authenticity - is the symbol of honesty & truth, I, now under Maini Signet umbrella, “Sfreeze” has emerged as one of the most trusted and reliable names in the cooling industry. We at “Signet” deliver you the best. We are pioneers in the field of Coffee Machines, Mist Fans, Heates, Popcorn Machines, Candy Machines and last but not the least, Air Coolers. Our products exhibit our quality. The brand you can trust are not just words it’s the pledge we undertake during the manufacturing of all our products. We are committed to providing you the best value for your money. We value our association with our esteemed customers. When my Uncle and Father embarked our this journey, we built a relationship and I “Rahul Maini”, too adhere to the legacy I virtue of my Uncle & Dad to provide you the best and carry my future journey with my customers, I’m infusing new energy technology into the brand to provide quality products with service. I solemnly adhere to my words and pledge to deliver you the best with our motto.*

*“...No Compromise”*

*Thanks*

***R. Maini***
